

Fellow Rider(s),

Thank you for your interest in the **Susquehanna Valley Cruisers**. We offer an opportunity for riders to enjoy the company of other motorcyclists as they pursue their love of the open road, motorcycling activities, and a variety of other related interests.

SVC is a terrific way for you to develop new friendships and unwind from your busy day-to-day life activities. Escape from the fast lane of life and enjoy the company of others who find pleasure in spending time with you.

Our association is designed to be informal and relaxing. However, there is a certain amount of "procedure" inherent in any well-run organization. Our meetings are meant to be casual, yet informative and constructive. They usually are held in conjunction with a ride or other event. Attendance is certainly not mandatory, but we encourage all members to participate as much as they are able. This is after all, a club designed for you and your input and ideas are very important. Dues are set at *\$15 per household per year* and should be remitted with your membership application. Our primary function remains to gather together with our friends and ride!

Our meetings are the last Saturday of each month, usually at Cross Keys Diner in New Oxford (for breakfast and ride afterward - weather permitting). There's also a mid-month dinner ride each month. A newsletter is sent the first week of each month with information on breakfast/dinner rides and special events.

If you decide to join, I have attached an application for your completion. Please return with dues to the address indicated. Should you have any questions regarding **SVC**, please do not hesitate to contact me or any of our members or officers.

Let's hit the road and ride safely!

Alan Feinman
